

Can I buy a single copy of one book?

Generally we do not sell single copies of a book title, except in cases of lost or damaged components of a set.

However, individual purchase options are available. You can purchase most of our book titles in a 6-pack Set. For many BEC book collections, we also offer add-to-packs, which contain one copy of various titles in a pre-packaged collection. For example, see below:

Example Add-to-Pack
{becprod prod=17237}
Example 6-Pack
{becprod prod=04038}
